Hotel Victor Earns Top Honors at the 14th Annual World Travel Awards

September 18th, 2007

Miami Beach, FL - Hotel Victor stole the show at the 14th Annual World Travel Awards held in New York City last night. The World Travel Awards are the most prestigious awards established for the global travel industry. The South Beach-based luxury boutique hotel was named Florida's Leading Boutique Hotel for the second consecutive year. Also nominated in a category with eight hotels from across the country, Hotel Victor took home the coveted title of North America's Leading Boutique Hotel to return home with two of the industry's top honors.

Owner Steve Patterson accepted the awards on behalf of the hotel. "I am extremely proud of all who have contributed towards the development and operation of Hotel Victor. Being recognized as the best boutique hotel on the North American continent by this international group of travel professionals is an incredible honor from a very well informed audience," said Patterson.

The World Travel Awards are touted as the travel industry's equivalent to The Oscars. The ceremony was attended by the leaders and visionaries of today's travel and hospitality sector. It is highly regarded as the single most recognized forum to acknowledge, reward and celebrate the enormous achievements in the industry.

"We continue to pride ourselves on this unique property and its quality and superior guest service," comments General Manager Carlos Sarmiento. "We are pleased to be recognized for this stunning hotel and our commitment in maintaining the ultimate level of service and standards for the second year in a row."

Hotel Victor also prides itself in its award-winning restaurant, Vix, which has also received its share of high honors. During its inaugural year, Vix was recognized as "Best New Restaurant/Newcomer" 2005 by Zagat Guide, The National Restaurant Association, South Florida Dining Awards and Travel + Leisure. Most recently, Bon Appetit listed Vix as one of "Miami's Top Tables 2006" and in 2007 Zagat Guide presented the restaurant with both a "Four Diamond" and "Four Star" rating.

Hotel Victor opened in February 2005 and features 89 luxurious rooms designed by world-renowned Paris-based designer Jacques Garcia. Since its opening, the hotel has become a favorite among Hollywood heavy hitters including Paris Hilton, Adrienne Grainer, Sting, Ashlee Simpson and Miami's elite. With its eclectic blend of Hollywood glam and South Beach luxurious elegance, the hotel's unparalleled service and style continues to attract the hip, chic and sophisticated traveler.

The inviting lobby has lounges on two levels with a pulsing yet relaxed beach atmosphere, while exterior courtyards and large terraces extend the hotel over look Ocean Drive. Swanky interior spaces are matched by an equally stunning outdoor pool area that provides direct views of the beach below. On one of the world's most scenic oceansides, Hotel Victor boasts exclusive beach areas, the culturally inspired award-winning restaurant, Vix, and a lavish European-style spa, Spa V. Hotel Victor is located at 1144 Ocean Drive in Miami Beach, Florida. For more information or to make reservations, please contact 800-233-1234 or [click here](#).
