Country United Arab Emirates

### Press Release Content

Grosvenor House, Dubai was recognised as the *World's Leading Hotel Serviced Apartments* at the 14<sup>th</sup> annual 2007 World Travel Awards, recently held in the Caribbean.

The World Travel Awards see 60 trophies handed out as an acknowledgement to the best of the best within the travel industry. The Awards are especially coveted as the votes are cast globally by fellow professionals from 167,000 agencies from 190 countries around the world.

"At Grosvenor House we constantly strive to be an exceptionally unique landmark in the world of hospitality by ensuring we deliver impeccable service time and time again. To be recognised as the worlds leading serviced apartments is a delightful endorsement of our associate's efforts to go beyond our guests expectations of what outstanding service should be" commented Pam Wilby General Manager of Grosvenor House, Dubai.

"Grosvenor House first achieved the award for the *World's Leading Hotel Serviced Apartments* after just six months of operation - to achieve this once again is truly a fitting testament to the levels of service and accommodation we are able to offer our long-term guest," added Wilby.

Grosvenor House Dubai has 217 rooms and suites and 205 luxurious and well appointed, fully furnished apartment suites. The one, two and three-bedroom apartment suites are available on a short or long term lease and feature the same tasteful, understated décor and facilities of the hotel in a more permanent setting. For additional privacy, residents benefit from their own separate entrance and luxurious lobby featuring full reception and concierge service. 24 hour room service is merely a phone call away and the world-class restaurants and bars of Grosvenor House Dubai just steps from their door.
