► The four star luxury **Hotel Heritage**, located in the heart of historic Bruges, has been named in Expedia.com Insiders' Select list of the world's best hotels for 2007 and is one of only five Bruges properties selected for the prestigious list. The list is developed each year by a methodology that combines traveler opinions, hotel value and Expedia Hotel Expert input from more than 30,000 hotels and resorts.

The prestigious World Travel Award was presented to the **Movenpick Hotel Istanbul** in Newcastle on 9 October 2007 - it is one of the most important of its kind in the travel and hospitality industry. More than 160,000 travel experts from around the world voted the Swiss international hotel group's flagship as Turkey's Leading Business Hotel. *"This Award is a great honour for us, and for the team as a whole it is an acknowledgement of their constant strive for excellence to continually improve and respond to our discerning business travellers' wishes,"* explained **Frank Reichenbach**, General Manager of Movenpick Hotel Istanbul and Regional Manager for Turkey.
